CANCELLATION AND RESCHEDULING APPOINTMENTS

At StarWhite Dental, we value our patients' time and reserve their appointments just for them. To be this efficient, we ask all patients to call 48 hours prior to their reserved appointment time if an emergency arises and you need to reschedule. We understand that this is sometimes not possible and ask that you contact us as soon as you are able. Please call our friendly front office staff during our regular working hours Monday-Friday 8am-5pm or you may leave a voicemail after hours.

As a courtesy to our patients, our staff calls each patient 1 day in advance to remind you of your appointment day and time. It is then your responsibility to notify us, in a timely manner, if you are unable to keep your appointment.

Missed appointments or last minute cancellations are subject to a \$50.00 cancellation fee, which will be required to be paid in full prior to scheduling future appointments.

At StarWhite Dental, we understand that our community is experiencing tough economic times. If you are cancelling or breaking your appointment due to finance issues, please talk to our understanding staff members and they will help you get the dental care you need and deserve.

The doctors and staff of StarWhite Dental thank you for your understanding and cooperation.
